

## CURRICULUM VITA

Michael Givel  
Department of Political Science, Room 217  
University of Oklahoma 73019  
405-325-8878  
E-mail Address: mgivel@ou.edu

### PROFESSIONAL EDUCATION

Ph.D. in Political Science: University of California, Riverside, August 1988  
M.A. in Political Science: University of California, Riverside, December 1985  
M.A. in Urban and Regional Planning: University of Florida, June 1980  
B.A. in Political Science: University of Florida, September 1976

### PROFESSIONAL EXPERIENCE

July 2006-Present:

**Associate Professor:** Department of Political Science, University of Oklahoma; specializing in public policy, health policy, tobacco policy, public administration, and urban politics. Current research includes examining tobacco policy, policy change theory, and the nexus between corporate actions and regulatory policy.

August 2002-July 2006:

**Assistant Professor:** Department of Political Science, University of Oklahoma; specializing in public policy, public administration, health policy, tobacco policy, and urban politics.

June 1998-June 2002:

**Institute Project Fellow and Researcher:** Institute for Health Policy Studies, University of California, San Francisco; academic research and fellowship position involved with the evaluation and analysis of state and local tobacco control policy making and politics in the United States. Research analyses included examining and comparing tobacco control politics and policies and the impact of campaign contributions in Florida, Mississippi, Missouri, and California and examining the policy motivations and political tactics of the tobacco lobby as it relates to pro-tobacco and tobacco control legislation enacted in all state legislatures in the 1990s.

February 1997-June 1998:

**Program Planning and Evaluation Specialist:** State of Missouri, Department of Mental Health; senior research position involved with policy evaluation and statistical analyses of various nonprofit substance abuse treatment programs and publicly operated substance abuse treatment programs throughout Missouri. Position also involved statistical and administrative oversight of Synar tobacco enforcement efforts regarding Missouri outlets likely to sell tobacco to minors.

February 1995-February 1997:

**Research Analyst:** State of Missouri, Department of Mental Health; involved with administration of Substance Abuse Prevention and Treatment Block Grant for Missouri; provided data collection, quantitative and statistical analysis, and public policy output and outcome evaluation of Missouri alcohol and drug abuse programs; administered federal drug and alcohol abuse census of alcohol and drug abuse treatment providers in Missouri; and managed and monitored live mainframe and personal computer data base and information system of alcohol and drug abuse statistics for Missouri.

## RESEARCH INTERESTS

### Current Research:

Tobacco policy, policy change theory, and corporate actions and regulatory policy.

### Future Research Interests:

Using tobacco industry corporate lobbying model as basis to examine corporate influence in other industries.

Social trends relating to access to health care.

Environmental health and protection policy issues.

## TEACHING INTERESTS

Public Policy

Health Policy

Public Administration

Urban Politics

Urban Planning
