CLASS STRUCTURE

In addition to the lecture on Mondays and Wednesdays, you will attend weekly one-hour discussion session designed to answer questions, clarify any issues addressed in the lecture, prepare you for exams, and administer quizzes which, coupled with participation, will account for 100 points of your final grade.

EXAMS AND GRADING PROCEDURES

The two one-hour exams and the final will be taken in the lecture room during the regularly scheduled class period. Quizzes will be administered during your discussion hour. Each discussion quiz will be worth 15 points for a total of 90 points and the remaining 10 points are at each teaching assistant's discretion determined by class participation. **Quizzes are to be taken in discussion without use of any notes.** You are responsible to bring a BLANK copy of the quizzes. The quizzes are available on the OU web site under Economics Department: Faculty: Holmes or through my website <http://faculty-staff.ou.edu/H/Alexander.B.Holmes-1/>. They are also available in the optional workbook.

MAKE-UP POLICY
